

Suman Sharma

Computer Engineer

Summary

I am a dedicated Computer Engineer with a strong foundation in software development, data structures, algorithms, and system architecture. With hands-on experience in various programming languages and frameworks—including specialized training in **Django** and **Generative AI**—I specialize in designing and implementing efficient, scalable, and maintainable software solutions. I am passionate about leveraging emerging technologies to solve real-world challenges in dynamic team environments.

Education

- 2019–2025 **Bachelor's Degree in Computer Engineering**, Pokhara Engineering College, Pokhara
Expected completion May 2025. Specialized in software development and system architecture.
- 2017–2019 **Intermediate / High School (Science)**, Rastriya Secondary School, Pokhara
Completed +2 with Science as major.
- 2013–2017 **Secondary Education (SEE)**, Prithivi Secondary School, Baglung
Completed Secondary Level Education.
- 2010–2013 **Primary Education**, Dawn Shine Academy, Baglung
Basic primary education.

Certifications & Training

- 2025 **10 Days Django Workshop**, CAPEC & Pokhara Engineering College, Pokhara
Active participation in intensive backend development training using the Django framework.
- 2024 **Generative AI Mastermind**, Outskill, Online
Certification for successfully completing advanced training in Generative AI tools and implementation.

Technical Skills

- Languages Python, PHP, JavaScript, C, C++, SQL
- Frameworks Django, Bootstrap, Tailwind CSS, HTML5/CSS3
- Core CS Data Structures, Algorithms, System Architecture, Database Management
- Tools & Tech Generative AI Tools, MySQL, Git/GitHub, Linux Environments

Projects

- Project **E-Attendance**, Web-based System, PHP, MySQL, Bootstrap, JS
- Developed a digital attendance management system for administrators, teachers, and students.
 - Implemented OTP-based login for enhanced security and automated alerts.
- Project **ClassPlus**, Digital Classroom Platform, PHP, MySQL, Bootstrap, JS
- Created an all-in-one platform combining attendance, virtual classes, and assignments.
 - Enabled teachers to track student progress and share learning materials.

Professional Attributes

Pokhara -2, Archalbot – Nepal

📞 9805145091 • ✉ jrsuman2001@gmail.com
